

From the East on M4:

From the exit at J12, follow signs to A340 Pangbourne, going over 2 roundabouts. Once on the A340, you will see a sign after only about 100m on the left signposted to Yattendon. Follow this road - after about 5-6 minutes you will come into Bradfield. (Don't be confused by sign to Southend Bradfield, ignore). Go straight over at the crossroads and keep following signs to Yattendon. As you come into the village of Yattendon, you will see a church on your right, then the village shop on your left. Follow the road round to the left and at the next bend turn left to Frilsham. Follow this road; you will cross back over the motorway. Keep on the same road and **ignore** turning on right to Frilsham. Continue straight on until you come to the Pot Kiln on your right.

NB: The pub is just outside the village of Frilsham but if you end up in the village itself by mistake, continue through village (with phone box on your right) and at the T- junction turn right and keep going until you come to the Pot Kiln
